EDUCATION

Bachelor of Engineering – Computer Engineering

2022 – 2026

Samarth College of Engineering and Management, Belhe (Pune University)

CGPA: 8.0+ | 7th Semester SGPA: **10.0 / 10.0**

TECHNICAL SKILLS

Languages: Java (Core), SQL, XML, HTML, CSS

Android: Android Studio, Java, Firebase, XML Layouts

Automation: n8n Workflow Automation, REST APIs, Telegram Bot Integration

Database: MySQL, Firebase Realtime Database, SQL

Tools: GitHub, Android Studio, VS Code

INTERNSHIP EXPERIENCE

Android Developer Intern | Proazure Software Solutions, Kharadi – Pune

Dec 2024 – Jan 2025

- Contributed to development of GateMastery, an Android educational app with 4+ core features
- Identified and resolved bugs during testing phase, improving app stability and overall performance
- Gained hands-on experience with Android Studio, Firebase backend, and agile development workflow

PROJECTS

GateMastery – Android Learning App | Technologies: Java, XML, Firebase, Android Studio

- Built a feature-rich Android educational app for GATE exam preparation
- Integrated Firebase authentication and real-time database for dynamic content delivery
- Designed and implemented multiple UI modules with clean, user-friendly interface

Patent Search Automation Workflow | Technologies: n8n, REST APIs, Telegram, Email

- Automated patent tracking pipeline with real-time Telegram and email notifications
- Reduced manual effort significantly using API-based workflow automation with n8n

LinkedIn Post Generator (AI Automation) | Technologies: n8n, REST APIs

- Built an automated workflow to generate and publish LinkedIn content using AI APIs
- Improved content consistency and publishing frequency through end-to-end automation

AgroChain – Agri Waste Management Platform | Technologies: Java, XML, Android Studio, AWS

- Built a digital platform connecting farmers, agri-waste buyers, and organic fertilizer suppliers through a marketplace
- Integrated AI-based recommendations to help farmers reuse crop residues and shift from chemical to organic farming

ACHIEVEMENTS & CERTIFICATIONS

- Secured 1st Rank across multiple semesters in B.E. Computer Engineering
- Achieved 7th Semester SGPA of 10.0 / 10.0
- 3rd Place – Blind Coding Competition (inter-college technical event)
- NPTEL Certification – Database Management Systems (IIT/NIT certified course)
- 21-Day Confident Coder Challenge – NxtCode (completed coding consistency challenge)
